

## ENVIRONMENTAL POLICY

Waterville TG Inc. is a manufacturer of weather sealing systems for the automotive industry.

### Our principle:

Through its environmental management system and in all aspects of its operations, Waterville TG Inc. creates and maintains harmony between its activities, the quality of life in the community and the protection of the environment.

### Our commitment:

- Comply with laws, regulations and all other requirements to which we subscribe.
- Set environmental targets and objectives and measure achievements with specific focus on the management and reduction of waste as well as on the reduction of energy consumption.
- Seek opportunities to improve our management system.
- Prevent pollution by considering the use of processes, methods and materials that reduce the impact on the environment.
